opening built in to the design of  
the table, under the worktop.**

Ordine, concentrazione, essenzialità: la vaschetta raccogliervi in metallo ospita e nasconde sotto il piano le prese per l'operatività di tutti i giorni, grazie a uno sportello integrato al design del tavolo.

**The innate elegance of the semi-executive version of the X5 further emphasises its functionality. More space for documents thanks to the low credenza unit with sliding doors and the beautifully clean design, also thanks to the cable tidy trays.**

La versione semi-direzionale di X5 ha uno stile elegante, che ne esalta la funzionalità. Maggiore spazio per i documenti, grazie al contenitore complanare con ante scorrevoli e una pulizia estetica assoluta, merito anche delle vaschette passacavi.
