**Round playfulness.
Abbey, the line of armchairs,
sofas and poufs, is an ode
to softness and harmony,
in a flourish of shapes and
colours.**

Gioscosità rotonda.
La linea di poltrone, divani e pouf Abbey
è un inno alla morbidezza e all'armonia,
tra forme e colori.

DESIGN LIVING

211

Every single piece of the Abbey line is enriched by artisan stitching, which is deliberately imperfect to highlight the human and warm side of design expressed in this collection.

Ogni pezzo della linea Abbey è arricchito da cuciture a vista artigianali, volutamente imperfette per evidenziare il lato umano e caloroso del design, di cui questa collezione si fa portavoce con la sua esistenza.
