The name is inspired by the angle formed by the cantilevered joint on the rear of the back. The legs are triangular on the lower part and square on the upper part, which adds an original touch to all interiors.

Il nome deriva dall'angolo formato dal raccordo a sbalzo sul retro dello schienale. Le gambe sono triangolari nella parte inferiore e quadrate in quella superiore, per conferire un tocco ricercato ad ogni ambiente.

The variable section plywood back and seat are available in different finishings: oak ash, walnut, umbra grey and white. The seat can also be upholstered and covered with many kinds of fabric options for different interiors.

Lo schienale è in legno multistrato a sezione variabile e il sedile è stato pensato in svariate finiture: frassino tinta rovere, noce, grigio ombra e bianco. Il sedile si può imbottire e rivestire con numerosi tipi di tessuti per arredare diversi tipi di spazi.
